Care Instructions

Sealskinz products can be machined washed up to 40C and some can be tumbled dried. It is advised you do not iron or dry on a radiator or other direct heat source.

Please see individual product packaging for a definitive guide

Wash up to 40C

Do not bleach

Do not iron

Drip Dry

Do not dry clean

Tumble dry low

Returns

Products made using Sealskinz patented technology are tested for waterproofness during manufacture. For this reason, if there is a problem all 'faulty' products are returned to Sealskinz for testing prior to giving customers a refund/replacement. All goods found to have a manufacturing fault will be replaced free of charge.
